Troy Jennings,

and TO WHOM IT MAY CONCERN

Coolabah Tree Cafes have been a very satisfied customer of LEA Insurance for nearly four years now! During this time LEA have surpassed our expectations with cost savings in premiums, exceptional service and fast, no-nonsense processing of our claims!

We enjoy the fact that LEA is our one-stop Insurer whether it be "Business", "Personal", "Motor", "Travel", and anything else, which provides us with the piece of mind that, that area of our business is in safe hands.

Coolabah Tree Cafés look forward to great associations with people not just businesses and we are happy to say the professionalism of LEA Insurance brokers is well and truly matched by great people in Troy and Eric!

Here's to a continued long and enjoyable association!

Yours faithfully,
